QUICK REVIEW: 1. Looking back at your notes from this week's teaching, was there anything you heard for the first time, caught your attention, challenged or confused you? What was the one big thing that blessed you?

DIGGING DEEPER: 1. The Huntington Beach Church family is committed to bringing the gospel to our local communities, nation, and world. Our joy is finding ways to share the good news of Jesus Christ with people and helping them to be His disciples. We love to see God using us to make a real difference in this world for His glory! **Read Matthew 9:37-38, Matthew 28:18-20, Mark 16:15, Luke 24:46-47, John 20:21, Acts 1:8.**

a) List the ways that HBC has tried to be obedient to Jesus' Great Commission of evangelism and making disciples:

b) This Sunday you heard about more strategies to share the love of Christ with people in our city and neighboring communities. Why do you think it is important for HBC to network with other churches and organizations in this endeavor?

2. HBC is all about the Holy Spirit, Bible Study, and Christian friendships. We believe that people grow spiritually when they have a commitment to God, the Bible, and significant Christian relationships. We believe that we can grow best spiritually when we pray, study the Bible, and fellowship together on a regular basis. Life Groups exist to promote spiritual maturity and personal growth through meaningful Christian relationships and study of God's Word (Read **Acts 2:46, Romans 8:29 & Hebrews 10:24-25**). How has this Life Group session been a blessing in your life?
